

## Join our team of #SelvitaSuperHeroes

Selvita is a **global integrated service provider** with laboratories in **Poland** (Krakow, Poznan, and Wroclaw), **Croatia** (Zagreb), and offices in **Cambridge, UK**, as well as the **Greater Boston Area** and **San Francisco Bay Area** in the **US**.

Our company is dedicated to delivering **comprehensive solutions** that support our international clients in **drug discovery** and **drug development**.

## What makes us unique?

Modern animal facility  
located in Cracow

Contribute to the development of  
a newly established In Vivo Facility  
focused on oncology drug discovery

Top-notch quality  
in our research

Engage in hands-on work with  
advanced in vivo techniques  
and methodologies

A team of dedicated  
experts who believe that  
science opens the door  
to the future.

Shape the future of cancer  
treatment by being at the  
forefront of innovative in vivo  
research.
